## 2021 Summer Skills Camps

The Irvine High School Athletics Department is proud to announce its annual Summer Skills Camp Programs. Fueled by a strong commitment by both our athletes and our coaching staff, the camps are designed to teach fundamental skills in each sport and to help build proper strength and conditioning.

Camps are open to all athletes, are purely recreational, and completely voluntary. Daily attendance aids in development but is **not** required. Participation in the camps is **not** offered for credit and is **not** a prerequisite for equal access to participate in athletics during the school year. Please note, a separate tryout date list for each sport will be posted on the Irvine High School Athletics website.
