

IRVINE HIGH SCHOOL 2024 Athletic Summer Skills Camps

The Irvine High School Athletic Department is proud to announce its annual Summer Skills Camp Programs.

Fueled by a strong commitment from both our athletes and our coaching staff, each camp is designed to teach fundamental skills and help build proper strength and conditioning.

Camps are open to all athletes, are purely recreational, and completely voluntary. Daily attendance aids in development but is not required. Participation in camps is not offered for credit and is not a prerequisite for equal access to participate in athletics during the school year.
