

Hello Vaquero Families –

We are looking forward to seeing all of you at our Irvine High School Incoming Athlete's Night on **Tuesday, May 10th.**

We are hoping, in addition to this night being informative, to also utilize this time to assist with clearing your child for athletics.

The process of clearing a student for athletics involves setting up a profile, answering questions, and uploading forms. This process can be a lengthy process involving forms and obtaining signatures from physicians, so we are providing you these forms now. Clearance requires the upload of the following **THREE** forms:

Physical Form- [HERE](#) (this is the only form accepted)

Top section filled out, signed, and dated by parent. Bottom section filled out, signed, dated, and stamped by physician (physician must check off level of activity and forms must be dated and stamped)

The only exception to this is athlete's who have Kaiser insurance. For those with Kaiser, you are able to upload the physical from your physician but must still upload the top section of our physical form which is filled out by the parent, signed, and dated (so Kaiser athlete's will have 4 forms total)

Statement Of Consent- [HERE](#)

Must be hand signed and dated by both athlete and parent

Insurance Card

Must be a picture of an actual card, no screenshots off insurance websites accepted

Please fill out the forms linked above prior to the event and bring them, along with a copy of your insurance card with you to Incoming Athlete's Night. If you are also able to bring your own laptop it would be greatly appreciated as this will assist us with clearing your child during this event.

We are looking forward to seeing you!!
